

面板开孔尺寸

Working type	AC-13	Mechanical life	400 万次
Rated insulation voltage	660V	Lifespan	1200000times
Rated working voltage	380 (440V)	Operating frequency	1200fs/h
Rated supply frequency	50HZ (60HZ)	Operating strength of the joystick	≤25N
Rated working current	3A	Shifts of each direction	5
Reserved heating current	10A	MAXimum controiloops	2X8
